# DINNER AT A CHEF'S HOUSE

## FROM ROOTS TO PLATE WITH LOCAL CHEF

Private tours

Lithuania

FOOD

This is not a tour. This is an invitation for lunch with a local chef in his own kitchen!

While the chef is preparing a three course lunch for you, you will be guided through the local food market and hunting for some snacks or spices by the chef's request. We will check what's available on the farmers' tables and get something for the starters and will be heading to the chef's home to taste all the meals he prepared.

You will get a chance to try 3 meals including soup, main dish and a dessert. Everything prepared the way we Lithuanians like. You might be pleasantly surprised by the ingredients and the combinations of them in our local cuisine.

Don't forget to ask for the recipes to bring home and try making yourself!

### Inclusions:

- Lunch including starter, soup and main dish;
- Private dining experience;
- Personal guide services.
